Summer Lite Edition

Summer!

The summer is here and it's finally time to kick back, relax and enjoy the sunshine!

The ORT Times will be going 'lite' for the months of July and August while we work on a few projects. We will be publishing travel conference reports and upcoming funding opportunities.

We hope you have a wonderful summer!

UPCOMING EVENTS & FUNDING CALENDAR:

11/08

Postdoctoral Fellowship

The Human Frontier Science Program postdoctoral fellowships encourage early career scientists to broaden their research skills by moving into new areas of study while working in a new country. Click [here](#) for details.

12/08

Dr. Gaetano Valenza

IEEE Canada Toronto Division is hosting Dr. Valenza who will be presenting a talk titled, "Time-varying Nonlinear models of Human Heartbeat Dynamics". Click [here](#) for details.

12/08

Postdoctoral Fellowship

The European Molecular Biology Organisation (EMBO) offers two year fellowships with a focus on international exchange. As such, movement between countries is a prerequisite of this biannual fellowship. Click [here](#) for details.

17/08

SURP Research Day

The University of Toronto's Institute of Medical Science Summer Undergraduate Research Program (SURP) annual research day. Click [here](#) for details.

Visit www.uhntrainees.ca for more events and funding information.

Smoke Free Ontario Act Enforcement

The University Health network is committed to providing a healthy and safe environment for all employees, patients and visitors. As a result, UHN is committed to becoming a smoke-free environment.

On January 1, 2016, new Ontario regulations (Smoke-Free Ontario Act and the Electronic Cigarettes Act) were established. As of July 1, 2016, designated smoking areas will no longer be available on UHN property and smoking will be prohibited on all UHN property.

Those who do not comply with the rules will be fined. For individuals, a first time offense results in a maximum fine of \$1000 or \$5000 for subsequent offences. For institutions, a first time offense results in a fine of \$100 000 or \$500 000 for subsequent offences.

For questions or information on smoking cessation, please visit http://www.uhn.ca/corporate/AboutUHN/smoking_Cessation/.
