

Networking: An Art & Science

Learn how to maximize your chance of getting an industry job.

With Isaiah Hankel, Ph.D.

TAP INTO THE HIDDEN JOB MARKET THROUGH NETWORKING

Did you know that 80% of jobs are not published? Do you know the most effective ways to connect with someone on LinkedIn? How do you break into conversation at an in-person networking event?

USE STRATEGY

To successfully connect with and follow up on your connections in order to secure referrals for jobs.

GAIN LEVERAGE

To differentiate yourself from other candidates.

GET ACCESS

To job opportunities that other people didn't even know existed.

DATE: April 20th, 2018

TIME: 2:00-3:0pm – Please come early!

LOCATION:

About Isaiah Hankel, Ph.D.: Fortune 500 consultant, international speaker and bestselling author, Isaiah combines a scientific approach with a tangible methodology to create a system anyone in academia can use to adapt to today's changing academic landscape. Isaiah has worked with hundreds of PhDs and will share the specific techniques that PhDs are using to successfully transition to industry.
