

PM POSTDOCTORAL FELLOWSHIP PROGRAM

Application Instructions

REGISTRATION SUBMISSION:

Applicants must submit an [online registration form](#).

APPLICATION SUBMISSION:

Applicants must submit the following – incomplete applications will be disqualified:

- **Curriculum Vitae (CV)** - No particular format for the CV is required; however, it must include:
 - Previous research experience
 - Publications
 - Fellowships, scholarships, or other awards (name of award, value, location of tenure, period held)
 - Professional affiliations and activities
- **Research proposal** – Max. 3,500 characters (including spaces and references). This should fit on one (1) page. Figures and tables are not accepted.
- **Statement of project impact and relevance to cancer** – Max. 1,700 characters (including spaces) written in plain language. This statement may be shared with donors.
- **Three (3) letters of reference:**

Letters must be submitted directly by the referees to oci@uhnresearch.ca. Once the letters are received in our office, we will notify the candidate.

 - Letter of support from Supervisor
 - Two (2) letters of reference from individuals other than the candidate's supervisor who can speak to the candidate's research skills and potential.

Applications must adhere to the following requirements:

- All documents must be single spaced and formatted using 12-point Times New Roman and 1-inch margins.
- CV, research proposal, and statement of project impact and relevance to cancer must be submitted as one (1) PDF document to oci@uhnresearch.ca.
- Letters of reference must be submitted directly by the referees to oci@uhnresearch.ca by the deadline.

Please contact oci@uhnresearch.ca with any questions regarding this opportunity.
